How to use

1.Power On/Off
Press the power button 5 times quickly to turn on/off. The LED light will flash 5 times to indicate that your device is turning on/off.

2.Preheat(for oil cartridge)
Turn on the device and press the power button two times rapidly for a 15 second preheat(2.0V).Press the button once to stop.In the preheat mode,the LED light will turn red-green-blue-white.

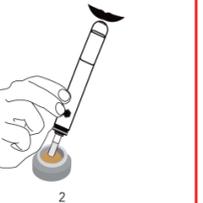

3.Variable Voltage
The Jiggy has 4 voltage settings: 3.3V/ 3.8V/4.3V/4.8V. You can change voltage by pressing the power button 3 times rapidly.

4.Charge
A red light will turn on when your device is plugged into the charger. When it is fully charged, the light will turn green.

1

5.Instant Heat Dip Attachment

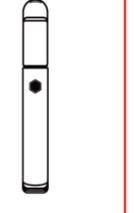

①Screw the Dip attachment on your Jiggy battery.
②Cap the mouthpiece on the other end.
③Touch the tip of your device to your concentrate, hold the power button, and inhale to vape.
Caution:Don't touch the tip in use or within 2 minutes after use to prevent being burnt. The tip will remain extremely hot for some time after use.

2

6.Quartz Crystal Atomizer

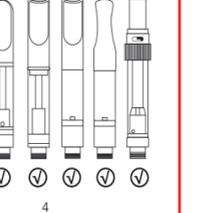

①Screw the Quartz Crystal Atomizer on Jiggy battery.
②Remove the cap of the atomizer,load the atomizer with concentrate and screw on the cap. Do not overpack.
③Cap the mouthpiece on the atomizer.
④Hold the power button and inhale to vape.

3

6.510 Oil Cartridge

①Screw prefilled 510 oil cartridge on Jiggy battery.
②Preheat the cartridge (if necessary)
③Hold the power button and inhale to vape.

4

Cleaning

When using for an extended amount of time,the air path(the hole that you can see on the bottom of Jiggy battery.) may become clogged and dirty resulting in a difficult draw.We recommend cleaning it with the included pipe cleaner.
④Hold the power button and inhale to vape. You need to push and pull it several times until it is clean.

5

Warranty

Your purchase of the Jiggy includes a lifetime warranty on all its parts.Yes,you read it right.We are confident that the Jiggy is the only vaporizer you will ever need.If ever any part becomes defective, we will replace it only for the cost of shipping and handling.
Each Jiggy is hand tested in our US warehouse before shipping to ensure quality.
We want our customers to be fully satisfied with their purchases.If it ever fails to do its job,then we will replace it.It is that simple.
Be sure to scratch and scan tag located on box to collect rewards and activate your lifetime warranty.
This lifetime warranty applies to customers within the United States of America only. Please contact us directly at support@thekindpen.com if you are outside of the US.
